AUTHOR INTERVIEW

COUTURE MAGAZINE LUVWIRKS.COM

Question.

Is it all about the glitz and glamour in your opinion?

Mark Anthony.

There goes another sacrilegious question from such an exquisite woman. That part is reawakening with you still intimate of embrace.

Question.

Is that yes?

Mark Anthony.

If you're offering.

Question.

Wiseguy!

Mark Anthony.

That ideal atmosphere is often more feasible than most might consider, making love amidst the twilight is more surreal on the marble floors. Utilizing sensation is an ingenious blessing after all, addressing her ultimately amidst midsummer mists is also recommended. Close massage relieves all wayward stresses, incorporating her most delicate regions thus entices added eroticism. Last night was relished making love to her in various masquerade estate quarters, the adjacent detached cottages, in the classic rolls convertible in the gravel courtyards. Precisely the purpose, the point exactly, to unify love's

basics in mesmerizing form. Many are the times I have rendered her contentment, still, never once in each new setting and or scenario.

Question.

And those exhausted durations when that doesn't occur!?

Mark Anthony.

Them's fightin' words to an adult alpha negro male! Hey did you ever determine if "Neegra" is still a word?

Question.

Wouldn't that vernacular mean you were in the wrong town?

Mark Anthony.

Hence emphasis on the twilight hour again. The village folks are passed out from all the moonshine, that there's great escaping chance!

Question.

Presuming your mere presence hasn't ceiled your death warrant.

Mark Anthony.

There are always a few allies most anywhere. You'd be surprised.

Question.

Not if you'd been anywhere near the hot chicks!

Mark Anthony.

That's still great character references.

Question.

What might they all say publicly I wonder?

Mark Anthony.

They'd say "Ya know black men are really quite civilized, they don't just grope ya nor nuthin'!" The Sheriff of Rockridge managed.

Question.

Barely after he diddled Lilly Van Schtoop!

Mark Anthony.

You must weigh the availabilities with due logic of course. Oh hey I aint into weiner schnitzels nor nuthin' like that at all though!

Question.

It sure is crucial to do your character homework beforehand.

Mark Anthony.

Every hot chick with dimples gets the official dimple check as seductive protocol! They are truly sublime works of exotically beautiful art, gaining instant visceral attention from countless scores of men.

Question.

Dimple check?

Mark Anthony.

To be sure everything's consistent anatomically!

Question.

How could there be any uncertainty, it's perfectly obvious?

Mark Anthony.

Hey look I don't make the rules, I just abide by them!

Question.

Wouldn't that just be after her vagina conveniently?

Mark Anthony.

No. Heaven forbid!

Question.

Admit it.

Mark Anthony.

Nope, no way, never, not a chance, uh uh!

Question.

Whatever!

Mark Anthony.

As a black man, I refuse to discriminate with the basic principles.

Question.

Neander Tol!

Mark Anthony.

I'm Cro Magnon and I resent the connotations.

Question.

No quoting the wise words of the great Don Juan DeMarco this time then huh!? Wouldn't this be a very good time to lie?

Mark Anthony.

He referenced a "Werry" good time to lie. Annunciation is key.

Question.

That was just his accent, he obviously meant "Very".

Mark Anthony.

He sure managed with every other English word well enough.

Question.

Huh!?

Mark Anthony.

One man might sire entire provinces in early Cro Magnon days.

Question.

I wonder what Don Juan De Marco might say about that.

Mark Anthony.

Unfamiliar with the movie undertones then I see!

Question.

Who isn't familiar with those movie classics?

Mark Anthony.

Ah it's not that important, I can only speak for myself!

Question.

And your point is!? I know the cat hasn't got your tongue.

Mark Anthony.

Ah it's all just a question of time with hotties like you!

Question.

Men!

Mark Anthony.

And yet you yourself incited the hypothesis!
